**Podere Guado al Melo, *Guado al Melo Rosso***

**COLOR** : Quite dark, garnet base, lighter ruby r.  
Bright and clean.

**NOSE** : Deep and structured bouquet. Restrained aromatic expression with deep fragrance. Black fruit discreetly present, delicate hint of spice. Quite complex and complete with pleasing freshness.

**PALATE** : Complexity. Delicate spice and increased fruit in the mouth. Long, lingering, harmonious reflux fruit with balance. Tannins very present, but controlled and finish is slightly austere. Good wine with potent but as yet the finish not totally polished.
